Hi Allen,

A colleague and I are writing a short story this afternoon about the Common Interest Agreement that the AG signed concerning before the March press conference on investigating Exxon and other climate change collaborative initiatives.

The group E&E Legal has released a copy of the CIA: <http://eelegal.org/wp-content/uploads/2016/04/Common-Interest-Agreement-and-discussion.pdf> - as well as a list of recipients in state AGs' offices who received copies to sign. NH was on that list: <http://eelegal.org/wp-content/uploads/2016/07/RI-signed-on-to-CIA.pdf>. Looking to confirm that the office did sign the CIA. Our deadline is 2pm, and my cell is below if you need it.

thanks,

Elana Schor
