Fred and Paul:

Thanks for meeting with Liz and me on Tuesday. It was great to have an opportunity to discuss how we can best work together.

We noted that one of the State Impact Center's most important tasks, from our perspective, is to deploy effective communications strategies that will draw attention to key state AGs initiatives in the clean energy, climate and environmental arena.

Our Communications Director, Chis Moyer, is our point on this. We are eager to have Chris stay in close touch with Kristina and help draw attention to the important clean energy, climate and environmental work that your office is engaged in. Most recently, we helped AGs Frosh, Herring and Racine develop an op-ed that they published in last Sunday's Washington Post on threats to Chesapeake Bay restoration activities: [http://wapo.st/2zyEA6w?tid=ss\\_tw&utm\\_term=.9e5423c3f7d5](http://wapo.st/2zyEA6w?tid=ss_tw&utm_term=.9e5423c3f7d5)

Thanks again for the great visit. We look forward to working with you.

David
