Hello Paul and Fred,

I'm following up on David's note to see whether you are available for a call this week to discuss next steps in the fellowship program. I have pretty good availability tomorrow - either 1pm or 3pm eastern would work for me. Thursday would also work - 2pm or 3pm eastern.

Thanks

Liz

It was great to see you last night and give you the news that the State Energy & Environmental Impact Center is

able to fund a Special Assistant Attorney General (SAAG) fellowship in your office to work on clean energy, climate and environmental matters. We had a great meeting with Fred and Paul a couple of weeks ago and were able to get more insight into the exciting developments in Oregon on the climate and clean energy front, as well as your office's strong commitment to public lands issues.

As I mentioned yesterday to Paul, we invite you to take the lead in recruiting a SAAG for the slot. Our Deputy Director, Liz Klein, copied here, can walk Fred and Paul through the process.

We are very much looking forward to supporting your important work in the clean energy, climate and environmental arena through the SAAG program and the State Impact Center.

David
