Date: Tuesday, April 19, 2016 8:02:58 AM

Good morning!

As part of the materials to be distributed at the convening on 4/25, we would like to include names (w title/organization) and bios of technical experts. No contact information will be provided nor will the bios handout include any specifics about the event itself.

If you wish to be included in this list, please let me know by 5 PM EDT on April 20. No response is required if you would prefer not to be included.

Thanks so much and please let me know if you have any questions or concerns.

Kind regards – Erin
