Matt, I am pleased to accept the AGO's offer for the NYU fellowship! Thor Inouye called me earlier and offered me the position at a salary of \$80,000 annually with health and other benefits provided by NYU. I told him that I wanted to discuss the offer with my wife before accepting. I have discussed it with her, and I am happy to let you know that I accept.

Thor asked me to discuss start dates with you. Would it be acceptable if I started on August 1?

Please let me know if I should also forward this information to Thor or anyone else.

Sincerely,
Jason James

Hi Liz:

Jason has accepted our offer of employment at a salary of \$80,000.00. He will start on August 1. Can you have someone from NYU follow up with him with required paperwork? Thanks. Matt

Great news! Congratulations Jason! I've copied Brittany in our office who will help get the appointment letter together. Jason, when you get the chance can you send us just your resume (I've seen it, but in a pdf of your whole application, so would be good to have the stand-alone resume).

Thanks!
