<b>Withheld Log (Hughes)</b>			
Date created	Author	General Description of the Record	Basis for Withholding the Record Under A.R.S. 15-1640(A)(1)(d) and Common law "best interests of the state" tests
September 10, 1999	Malcolm Hughes <MHUGHES@LTRR.Arizona.EDU>	correspondence with authors	draft article
November 17, 1999	Michael E. Mann <mann@virginia.edu>	correspondence with authors	draft article
November 30, 1999	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence with authors	draft article
December 6, 1999	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence with authors	draft article
December 8, 1999	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence with authors	unpublished research data
December 9, 1999	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence with authors	unpublished research data
January 2, 2000	"Graumlich, Lisa <lisa@montana.edu>"	personnel correspondence	personnel matters
January 8, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence with authors	preliminary analysis for scientific paper in preparation

January 11, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.	personnel correspondence	personnel matters
January 11, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.	correspondence between collaborators	plans for future research
January 11, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.	correspondence with authors	preliminary analysis for scientific paper in preparation
January 11, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.	correspondence with authors	preliminary analysis for scientific paper in preparation
January 12, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.	correspondence with authors	preliminary analysis for scientific paper in preparation
January 12, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.	correspondence with authors	preliminary analysis for scientific paper in preparation
January 13, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.	correspondence between collaborators	plans for future research
January 13, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.	correspondence with authors	preliminary analysis for scientific paper in preparation
January 27, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.	correspondence between collaborators	plans for future research

January 27, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence with authors	preliminary analysis for scientific paper in preparation
February 18, 2000	Ray Bradley <rbradley@geo.umass.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
February 19, 2000	Michael E. Mann <mann@virginia.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
February 19, 2000	Michael E. Mann <mann@virginia.edu>	correspondence between collaborators	plans for future research
February 19, 2000	Michael E. Mann <mann@virginia.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
February 22, 2000	Ray Bradley <rbradley@geo.umass.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
February 22, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence with authors	preliminary analysis for scientific paper in preparation

February 22, 2000	Ray Bradley <rbradley@geo.umass.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
February 22, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence with authors	preliminary analysis for scientific paper in preparation
February 22, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
February 22, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
February 22, 2000	Michael E. Mann <mann@virginia.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
February 23, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence with authors	preliminary analysis for scientific paper in preparation
February 23, 2000	Michael E. Mann <mann@virginia.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation

February 23, 2000	Michael E. Mann <mann@virginia.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
February 24, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.	correspondence between collaborators	plans for future research
February 24, 2000	Ray Bradley <rbradley@geo.umass.edu>	correspondence between collaborators	plans for future research
February 24, 2000	Michael E. Mann <mann@virginia.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
February 25, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.	correspondence between collaborators	plans for future research
February 29, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
March 1, 2000	Ray Bradley <rbradley@geo.umass.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
March 1, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.	correspondence with authors	preliminary analysis for scientific paper in preparation

March 27, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
March 27, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
March 30, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
March 30, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
May 1, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
May 8, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	personal correspondence	personal
May 9, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	personal correspondence	personal
May 18, 2000	Michael E. Mann <mann@virginia.edu>	correspondence between collaborators	plans for future research
May 19, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	correspondence between collaborators	plans for future research

May 19, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence between collaborators	plans for future research
May 19, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence between collaborators	plans for future research
May 19, 2000	Ray Bradley <rbradley@geo.umass.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
May 19, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence between collaborators	plans for future research
May 19, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence between collaborators	plans for future research
May 19, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	correspondence between collaborators	plans for future research
May 19, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence between collaborators	plans for future research
May 19, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence with authors	preliminary analysis for scientific paper in preparation
May 19, 2000	Ray Bradley <rbradley@geo.umass.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
May 29, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence with authors	draft article
May 29, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	correspondence with authors	draft article

May 29, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence with authors	draft article
May 29, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence with authors	preliminary analysis for scientific paper in preparation
May 30, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence with authors	preliminary analysis for scientific paper in preparation
June 6, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	correspondence between collaborators	preliminary analyses for planned paper
June 6, 2000	Michael E. Mann <mann@virginia.edu>	correspondence between collaborators	preliminary analyses for planned paper
June 6, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	correspondence between collaborators	preliminary analyses for planned paper
June 6, 2000	Michael E. Mann <mann@virginia.edu>	correspondence between collaborators	preliminary analyses for planned paper
June 6, 2000	Michael E. Mann <mann@virginia.edu>	correspondence between collaborators	preliminary analyses for planned paper
June 26, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	review	discussion of peer review
June 26, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	Re: review	discussion of peer review

June 26, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	Re: review	discussion of peer review
July 1, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	correspondence between collaborators	preliminary analyses for planned paper
July 1, 2000	Michael E. Mann <mann@virginia.edu>	correspondence between collaborators	preliminary analyses for planned paper
July 1, 2000	Michael E. Mann <mann@virginia.edu>	correspondence between collaborators	preliminary analyses for planned paper
July 4, 2000	Michael E. Mann <mann@holocene.evsc.virginia.edu>	correspondence between collaborators	preliminary analyses for planned paper
July 4, 2000	Michael E. Mann <mann@holocene.evsc.virginia.edu>	correspondence between collaborators	preliminary analyses for planned paper
July 5, 2000	Michael E. Mann <mann@virginia.edu>	personal correspondence	personal
July 5, 2000	Michael E. Mann <mann@holocene.evsc.virginia.edu>	personal correspondence	personal
July 10, 2000	Michael E. Mann <mann@holocene.evsc.virginia.edu>	correspondence with authors	deliberative process of book chapter in preparation
July 10, 2000	Michael E. Mann <mann@holocene.evsc.virginia.edu>	correspondence with authors	deliberative process of book chapter in preparation

July 12, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	correspondence with authors	deliberative process of reply to material
July 13, 2000	Michael E. Mann <mann@virginia.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
July 14, 2000	Michael E. Mann <mann@holocene.evsc.virginia.ed	correspondence with authors	preliminary analysis for scientific paper in preparation
July 14, 2000	Michael E. Mann <mann@holocene.evsc.virginia.ed	correspondence with authors	preliminary analysis for scientific paper in preparation
July 14, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
July 14, 2000	Michael E. Mann <mann@virginia.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
July 15, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation

July 15, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
July 17, 2000	Michael E. Mann <mann@holocene.evsc.virginia.ed	correspondence with authors	preliminary analysis for scientific paper in preparation
July 18, 2000	Michael E. Mann <mann@holocene.evsc.virginia.ed	correspondence with authors	preliminary analysis for scientific paper in preparation
July 18, 2000	Michael E. Mann <mann@holocene.evsc.virginia.ed	correspondence with authors	preliminary analysis for scientific paper in preparation
July 18, 2000	Michael E. Mann <mann@holocene.evsc.virginia.ed	correspondence with authors	preliminary analysis for scientific paper in preparation
July 19, 2000	Michael E. Mann <mann@holocene.evsc.virginia.ed	correspondence with authors	preliminary analysis for scientific paper in preparation
July 19, 2000	Michael E. Mann <mann@holocene.evsc.virginia.ed	correspondence with authors	preliminary analysis for scientific paper in preparation

July 21, 2000	Raymond S. Bradley <rbradley@geo.umass.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
July 21, 2000	Michael E. Mann <mann@holocene.evsc.virginia.ed	correspondence with authors	preliminary analysis for scientific paper in preparation
July 21, 2000	Michael E. Mann <mann@holocene.evsc.virginia.ed	correspondence with authors	preliminary analysis for scientific paper in preparation
July 21, 2000	Michael E. Mann <mann@holocene.evsc.virginia.ed	correspondence with authors	preliminary analysis for scientific paper in preparation
July 21, 2000	Michael E. Mann <mann@holocene.evsc.virginia.ed	correspondence with authors	preliminary analysis for scientific paper in preparation
July 31, 2000	Raymond S. Bradley <rbradley@geo.umass.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
July 31, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation

August 2, 2000	Michael E. Mann <mann@holocene.evsc.virginia.ed	correspondence with authors	preliminary analysis for scientific paper in preparation
August 2, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
August 2, 2000	Michael E. Mann <mann@holocene.evsc.virginia.ed	correspondence with authors	preliminary analysis for scientific paper in preparation
August 4, 2000	Michael E. Mann <mann@virginia.edu>	correspondence between collaborators	preliminary analyses of web site
August 4, 2000	Malcolm Hughes <mhughes@ltrr.arizona.edu>	correspondence between collaborators	preliminary analyses of web site
August 4, 2000	Michael E. Mann <mann@virginia.edu>	correspondence between collaborators	preliminary analyses of web site
August 7, 2000	Michael E. Mann <mann@holocene.evsc.virginia.ed	correspondence between collaborators	preliminary analyses of web site
August 10, 2000	Michael E. Mann <mann@virginia.edu>	correspondence between collaborators	deliberative analysis for possible article
August 11, 2000	Michael E. Mann <mann@virginia.edu>	correspondence between collaborators	unpublished results

August 11, 2000	Michael E. Mann <mann@virginia.edu>	correspondence between collaborators	unpublished results
August 29, 2000	Raymond S. Bradley <rbradley@geo.umass.edu>	correspondence with authors	preliminary analysis for scientific paper in preparation
September 15, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence between collaborators	plans for future research
September 15, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence between collaborators	plans for future research
September 17, 2000	Michael E. Mann <mann@virginia.edu>	correspondence between collaborators	plans for future research
September 17, 2000	Michael E. Mann <mann@virginia.edu>	correspondence between collaborators	plans for future research
September 17, 2000	Michael E. Mann <mann@virginia.edu>	personnel correspondence	personnel matters
September 18, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence between collaborators	plans for future research
September 18, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence between collaborators	plans for future research
September 22, 2000	Michael E. Mann <mann@multiproxy.evsc.virginia.>	correspondence between collaborators	plans for future research
