Re: Documents related to the State Energy and Environmental Impact Center

Dear Sir or Madam:

On behalf of Energy Policy Advocates (“EPA”), recognized by the Internal Revenue Service as a non-profit public policy institute under § 501(c)(3) of the Internal Revenue Code, and pursuant to the New York Freedom of Information Law, Public Officers Law, § 87, *et seq.*, please provide copies of the seven days’ written notices of early termination required by paragraph A.6 of the Office of the Attorney General’s December 22, 2017 Secondment Agreement with New York University’s State Energy and Environmental Impact Center. These notices pertain to the early termination of Matthew Eisenson and Gavin McGabe as legal fellows.

We make this request confident that your Office maintains such notices together in a discrete location and the search should not require appreciable time or other resources. Further, we understand that a public body may charge a fee for the cost of the search, examination, review, copying, separation of confidential from nonconfidential information, and mailing costs. If your Office expects to seek a charge associated with the searching, copying or production of these records, however, please provide an estimate of anticipated costs. Given EPA’s non-profit

and public interest nature and intention to broadly disseminate relevant findings, EPA requests a waiver or reduction of any applicable fees.

If you have any questions, or would like to discuss this matter further, do not hesitate to contact me by email at ncornettlaw@gmail.com. I look forward to your response.

Sincerely,

Neal Cornett

Attorney at Law
